

Your donations, combined with those of others, make a significant and immediate impact upon the quality of life of our pupils at Taunton School.

Old Tauntonians have provided over £470k of valuable support to the Foundation's Annual Fund and telephone appeals in the last decade. Thank you, it makes such a difference to what we can achieve.

ANNUAL FUND

Aimed at generating Old Tauntonian support, this achieves funding for smaller scaled projects not generally covered by school fees. This year's projects will make a considerable difference to the whole school community and we are asking for your generous support so we may continue to provide the best facilities for modern-day teaching.

DANCE STUDIO - £10,000

Dance is in fashion and in demand at the School; please help us to provide a specially designed Dance Studio with a fitted sound system, a new ceiling and a wall of mirrors. This will transform a tired room in The Prep School into an exciting new teaching area. A single donation will secure the naming rights for this exciting venture.

BOARDERS' FITNESS SUITE - £30,000

Utilising a mostly redundant space, we would like to create a fitness suite for junior and senior boarders. This will be fitted with exciting and specifically designed equipment suitable for pupils across the age range. Again this is a naming opportunity for any donation exceeding £10,000.

CHAPEL ORGAN - £ 5,000

We would like to enhance the quality of the recently installed digital organ in the Chapel by complementing the speakers in the West Gallery with an extra set in the Chancel. These will improve the overall balance of sound and will aid musical performances in the Chancel. The OTA have agreed to fund the cost of the speakers and we are seeking your help with the installation costs.
