## Additional Information

### Communication

The Form Tutor is the first point of contact for any pastoral or academic concerns. For academic matters, the next level of assistance and guidance is provided by Mrs Seymour in her role as Assistant Head for Teaching and Learning.

The Pastoral Heads of each section of the school will provide an extra level of assistance and support. With regard to behaviour and discipline, the Form Tutor will operate at 'Level 1', Pastoral Heads will become involved in more serious matters at 'Level 2', whilst the most serious matters will be dealt with by Mr Coleman and Mr Edwards at 'Level 3'.

Issues are often best dealt with on the phone and staff are always happy to respond to a request to call parents.

There is not an expectation for staff to read emails the moment that they are received so please do not expect immediate responses, especially in the evenings or at weekends. We do however endeavour to acknowledge all emails, letters and phone messages within 24 hours.

To contact the Headmaster, please call the School Office or email:  
tpsheadmaster@tauntonschool.co.uk

### Office Hours

The Prep School Office will be open between **8.00am** and **5.45pm** during weekdays and from **8.00am** until **12.30pm** on Saturday mornings. The Pre-Prep Office will be open between **8.00am** and **5.30pm** during weekdays.

### Contacting school after office hours

If you need to call the school number (01823 703307) after office hours, you will be given two options. You can either leave a message, which will be dealt with when the office re-opens on the following morning, or, up until 6.30pm, you can be passed through to the Boarding House.

## Sports Fixtures

Whilst every effort is made to ensure that the sports fixture information contained within the school calendar is current and correct, sports fixtures are arranged well in advance and can be subject to change. Therefore, current fixture information and team selections can be found online - <http://tscal.uk>.

This mobile Web App allows staff, parents and pupils to "favourite" teams and quickly access fixture and team sheet\* information when mobile. It synchronizes with your sports map so that visiting teams, staff and parents can navigate to the correct car park and pitch as they arrive at the school

The Web App can be saved to your home screen, and does not need to be downloaded from an App Store. It will also work on any mobile device running a recent version of IOS, Android, Windows or the Blackberry operating system.

To save the Web App to your mobile's home screen visit our calendar website on your mobile device at <http://tscal.uk> and then follow the Sports Fixtures Web App link - instructions for adding to your home screen will be shown automatically.

For more details about the Web App visit: <http://www.schoolssports.com/Support/Page.asp?ID=175&CatID=12>

The password is available from the school office.
