

Tuesday 17<sup>th</sup> March 2020

Dear Parents,

Following on from the guidance delivered by the Government yesterday, along with subsequent guidelines published today. The school is currently at the stage of sending all Boarders home and in the process of cancelling all gatherings and events in the last week of term.

The school has now informed us that they have also taken the decision to cancel all Holiday activities including the Pre-Prep and Nursery Holiday club provision, due to start on Monday 23<sup>rd</sup> March.

As stated in the FAQs published on the website – no charges will be incurred for any previous bookings made.

We apologise for the inconvenience caused around this provision not taking place. However, these are exceptional circumstances and any decisions taken have been made under guidance and are for the benefit of the whole community.

We hope to start the beginning of the Summer Term as planned on Wednesday 15<sup>th</sup> April.

With very best wishes,

Louise Leah
