We will operate adhering to our social distancing, access control, and, safeguarding policies.

- Social distancing will be in place, please stay 2 metres apart
- The car park facility will be open, once parked please report to the outdoor reception to sign in
- A 'pop up' outdoor gazebo style reception will be in place; this will house a sports team member and hand sanitizer
- A one-way system will operate in the tennis courts, there will be access for entry and separate access for the exit
- Personal training clients will be given instructions upon arrival, and training areas will be marked out via cones
- Start times for sessions and facilities will be staggered; 15-min periods will be dedicated to arrivals and departures
- Facilities and equipment will be cleaned after each session
- All facilities and sessions will be supervised by a professionally trained member of the sports club team.

Please note that our guidelines are based on an evolving policy, subject to change with government updates.
