

# Equal Opportunities – Students

## **TAUNTON SCHOOL EQUAL OPPORTUNITIES POLICY FOR STUDENTS**

### **General Statement**

Taunton School is an Equal Opportunities School and is committed to ensuring that it provides equality of educational opportunities that are free from unlawful or unfair discrimination, victimisation or harassment and in particular on the grounds of race, colour, nationality, ethnic origin, cultural background, religious beliefs, linguistic background, gender, sexual orientation, gender identity and reassignment, pregnancy/maternity, disability, special educational needs, academic ability, sporting ability or because the a child is adopted or is a carer.

As a result each student shall be regarded as an individual of equal worth and importance. Good, inclusive and tolerant relations between all students with or without shared characteristics will be fostered.

We shall strive to ensure that Equal Opportunities are evident in

1. the formal curriculum of the school e.g. lessons
2. the informal curriculum of the school e.g. extra curricular events.
3. the 'hidden' curriculum of the school e.g. the ethos of the school.

We shall ensure that the students of the school are made aware of and understand this policy. It should be read in conjunction with the Anti Bullying Policy and Behaviour Policy.

### **NOTES (Not exhaustive)**

The following information is designed to provide definitions and examples of unacceptable behaviour. Not all of the protected characteristics are listed but the following guidance is useful when considering discrimination against those not listed.

#### **Race and Related Characteristics**

We regard as racism any attitude held by a person or group of one ethnic origin towards an individual or group of a different origin, which is offensive, discriminatory and hostile towards the individual, or group on grounds of ethnic differences. We also consider racism to be behaviour, acts or expressions that reflect such attitudes; or any incitement to behaviour of that kind

Taunton School is a multi ethnic community in which race equality and diversity is a fundamental principle among staff and students.

#### **Gender and Related Characteristics**

We consider sexism to be an attitude held by a person or group of one sex towards an individual or group of the other sex which is offensive, discriminatory or hostile towards the individual or group on grounds of gender difference or sexuality.

We consider sexual harassment to be behaviour, acts or expressions that reflect such an attitudes or incitement to behaviour of that kind.

We consider that gender identity to be the innermost concept of self as male, female, a blend of both or neither – how individuals perceive themselves and what they call themselves. One's gender identity can be the same or different from their sex assigned at birth. Individuals will not be discriminated against due to their gender identity and the school will make reasonable adjustments to ensure that individual's needs are met.

### **Religion and Related Characteristics**

All students should attend assembly; they are mostly secular and administrative

Taunton School's Free Church foundation, while making it inclusive of all, nevertheless affirms its Christian witness. Students should accept this as part of what the school has to offer. While open to those of all faiths, or none, a respect for Chapel worship is expected of the school community. If students and their parents have religious or moral objections to a student attending Chapel or the religious element of assembly, then they should write to the Headmaster or to the Headmaster of Taunton Preparatory School or the Principal of TSI. Every effort will be made to enable students to worship in centres that are appropriate to their faith.

Our RE lessons are designed to promote an understanding of Judaeo-Christian heritage as well as the religious diversity that characterises modern Britain. As a Christian foundation, some parents have chosen Taunton School for this reason. Whilst Taunton School is open to students of all faiths and or none, it is expected that Christian teaching should be respected. Parents are entitled by law to withdraw their child from religious education lessons if they so wish to. We aim to explain the diversity of beliefs through our RE teaching and hope that therefore the attendance at such lessons promotes the understanding of cultural variations. Parents who nevertheless wish to withdraw their children should write to the Headmaster or the Headmaster of Taunton Preparatory School or the Principal of TSI.

### **Disability**

Disability is defined as a "physical or mental impairment which has a substantial and long term adverse effect on that person's ability to carry out normal day to day activities."

We will take reasonable steps to try to avoid a disabled student being put at a disadvantage compared to other students. If reasonable to do so we will provide an auxiliary aid or service to a disabled student in order to alleviate any substantial disadvantage.

We regard as unacceptable attitudes held by a person or group towards an individual with a physical or mental disability, which are offensive, discriminatory or hostile towards the individual on grounds of their disability. We hold this view whether the disability is mild or severe. We regard as unacceptable behaviour acts or expressions which reflect such attitudes or any incitement to others to adopt such attitudes.
