

Digital Remote Learning Guide

Dear Parents,

I am pleased to be able to provide you with some information to support you and your children with regards to remote learning. Please find attached a booklet about how our remote learning package works and some guidance on how to use our systems remotely. Please click on the link below:-

https://tauntonsch-my.sharepoint.com/:b:/g/personal/chris_coleman_tauntonschool_co_uk1/EVGUSs2NUsdLhqWvjSun2pABVYsSfxEwn1QNCIG2QJ8ouA?e=uGuMu1

For the initial period of remote learning, we will run with our normal 'shape of the day' and timetable. A new timetable, to reflect the different demands of remote learning, will be brought in as soon as feasible. I will write to you when the picture is clearer but I am very confident, based on what we provided in 2020, that our remote provision will be of the highest standard and reconcile learning with pastoral care and keeping our community safe and healthy.

With many thanks for your support and patience at this difficult time, and best wishes for the term ahead.

Yours sincerely

Hannah Seymour

Assistant Head Academic
