

## Vision

Our aim is to provide a safe, happy and respectful environment in which we nurture, challenge and inspire young people of diverse nationalities to enable them to achieve their full potential.

## Mission Statements

### **Taunton School International**

The TSI Mission is to prepare students aged 14-18 for successful entry into the British education system at Sixth Form or Undergraduate level, through the provision of intensive GCSE and Foundation programmes.

### **Taunton School International Middle School**

The TSIMS Mission is to prepare students aged 8-14 for successful entry into the British education system at an age appropriate level, through the provision of a broad, flexible and enriching education experience.

### **Summer School**

To provide students aged 8 – 17 with an experience that is fun, engaging, informative and challenging, incorporating a high quality course in English as well as a wide range of other subjects, complemented with an extensive programme of sports, activities and excursions.

## TSI(MS) Core Values

### Academic:

- Our teaching is inspirational, holistic, engaging, focused, varied, active and fun and is designed to challenge and stretch students to be the best they can.
- We offer a wide curriculum, tailored to the needs of every student, irrespective of age, gender, nationality or ability.
- We provide students with an appropriate and relevant route into the British education system by offering one- to two-year intensive academic programmes.

### Pastoral

- We provide a safe, secure and happy home, where emotional and physical safety and well-being are at our core.
- We encourage our students to take responsibility for themselves, to learn from their mistakes and to become more independent as they move from childhood to adulthood.
- We are proud of the well-disciplined, structured, honest, open, polite and considerate environment we have created, as we believe this allows all students to flourish and to become well-rounded citizens of the future.

### Co-Curricular

- We provide a diverse and challenging programme of clubs and activities in which all students are expected to participate and benefit from.
- Everyone's interests are valued and catered for within a rich offering of sports and performing arts and students are encouraged to represent the school in their chosen field.
- We offer a varied and interesting weekend excursion programme designed to be fun, to broaden horizons and to advance students' understanding of diverse British culture.

### Community

- We speak English at all times; this is our common language and promotes inclusiveness.
- We are a family and as such, we look after each other, support and encourage one another to achieve great things and show respect for individual identity.
- We involve ourselves in the 'one' school community as well as the wider local community in order to promote our school and to provide students with opportunities to participate in activities that highlight and promote British values.

### Global

- We prepare students and staff for their onward journey in our ever increasing global society by promoting Spiritual, Moral, Social and Cultural understanding and thereby developing respect, kindness and tolerance.
- We are from diverse cultural backgrounds and as such, we celebrate our differences and take the time to learn about other faiths and cultures so that we can use this knowledge to promote global peace and harmony in the future.
- We involve ourselves in charitable work that will benefit those locally and around the world who are less fortunate than ourselves.
