

'Bridging the Gap'

A LEVEL & IB FRENCH

Preparation for Sixth Form French

Here are a selection of tasks to undertake as part of bridging the gap between your GCSE studies and those at A Level or IB.

There is a mix of grammar, listening, reading and writing, all which can be marked yourself. There is also some grammar reference in case you need some help. Some areas you may find more tricky, so don't be worried if this happens and you leave some parts out – just do what you can.

Equally as important is watching French speaking films and listening to French music. Try to broaden your understanding of the French language and culture as well as deepening your grasp of grammar and vocabulary.
