Kit and Equipment

We would be extremely grateful if ALL equipment and games kit is named.

Please note that sewn-on labels are preferable as ironed-on ones can peel off once clothing has been washed. All labelling should be done before the item is brought into school. We cannot guarantee that unnamed items will be returned. We do have a lost property cupboard but we do not store clothes on a long term basis. We also ask that Sport's Bags are named on the OUTSIDE.

- No jewellery is allowed in PE/Games and therefore earrings must be removed or taped. Pupils must provide own tape.
- Water bottle (named) for lessons and fixtures (compulsory). Energy drinks are not permitted. Water bottles are no longer provided by the school for fixtures.
