Core English is designed for students at levels A1-B2, with lessons focused on developing the four key skills; Reading, Writing, Speaking and Listening, as well as vocabulary and grammar. Advanced English is ideal for students at levels C1-C2, offering in-depth study of literature, public speaking, creative writing and critical thinking.

TRIPS AND ACTIVITIES

After lessons, the fun continues with a wide range of activities and trips. Whether it's archery, graffiti workshops, a colour run and giant inflatables, or exciting half-day trips to local cities such as Exeter and Bristol – there's something for everyone.

Weekends provide a chance to go further afield and explore what the south-west of England has to offer. Saturdays showcase various aspects of British culture, from punting past Oxford's famous colleges and visiting the historic Windsor Castle, to exploring the amazing Roman Baths. Sundays are our days for adventure, with trips to indoor skydiving, go karting and surfing on the British coast. An optional trip to London is offered on each Summer School.
